## Need Financial Assistance?

There are several opportunities for qualifying students to obtain tuition assistance. Providers include the Diocese of Savannah – African-American/Hispanic American Fund and GRACE Scholars. There are also independent Student Scholarship Organizations (SSO) such as ARETE and AAA and others. Notre Dame Academy accepts any organization's scholarship for qualified students.

The **first step** in applying for any financial support is to gain a financial aid assessment which is provided by FACTS Grant and Aid Assessment Service. You must apply online at the following website:

<https://www.factstuitionaid.com>

The **second step** is to pay the current registration fees to the school of your choice – Notre Dame Academy. The Registration fees for the upcoming school year remains at the non-refundable amount of: **\$100.00**

Applications for financial assistance must be made by March 1<sup>st</sup>. Awards are announced before the end of the current school year and are based on the FACTS assessment of need.

ARETE and AAA are independently administered SSO each with its own assessment qualifications procedures.

AAA Scholarship Fund

Many SSO that are available may be limited to students transferring from public schools to a private school, or those students entering the private school in the Pre-K, or Kindergarten.

After earning an SSO scholarship, you may continue to receive it in subsequent years, as long your financial assessment states that you qualify and the funds remain available.
